Sir:

Applicant thanks the Examiner for speaking with Applicant's representative on January 29, 2008. As explained during the conversation, the IDS filed on September 14, 2007 in this matter cited a reference that was first cited to the Applicant, by the Examiner, in copending divisional application Serial No. 11/320,892 (Attorney Docket No. 9988.099.10) in an Office Action mailed on July 25, 2007. Applicant filed the IDS of September 14, 2007 in the present application, to cite the reference back to the Examiner. Through inadvertent clerical error, Applicant did not place a mark in a box adjacent to one of two statements preprinted on Applicant's IDS form. The statements are those alternative statements specified in 37 CFR § 1.97(e).

On December 26, 2007, the Office mailed an Office Communication that explained: "The information disclosure statement filed September 14, 2007 fails to comply with 37 CFR 1.97(d) because it lacks a statement as specified in 37 CFR 1.97(e). It has been placed in the application file, but the information referred to therein has not been considered."

Applicant is hereby resubmitting the IDS filed on September 14, 2007 with a mark in the box adjacent to the appropriate one of two statements preprinted on Applicant's IDS form. The statement is appropriate as of the original date of submission. Applicant notes the date of original submission by dating this form "September 14, 2007 *nunc pro tunc*."

Applicant therefore again discloses the following information to the Office and respectfully requests the Office to consider the reference cited herein.
